## **Presenting Information**

Today we'll see Dr. Derr present some results to the client. Let's see now it goes.
In the first video, what strategies did Dr. Derr use to present results? How well did the work? What suggestions would you have for her?
In the second video, what did Dr. Derr do differently? What made these techniques mos successful?

## STAT8801, March 27, 2014 Presenting Information

Name:
Name one strategy for presenting results that was discussed in class today that you found particularly interesting, insightful, or applicable to your own strengths or weaknesses.
